■ The Risk-Free Trial Value Proposition

BidVex is extending an exclusive, zero-commitment evaluation offer to a select group of professional auctioneers and liquidators across Canada. Your **first listing is 100% FREE** — no hidden charges, no contract lock-in, no platform fees of any kind during this introductory trial period.

- **Real-Time Bid Engine** — Sub-second live bidding with automatic anti-snipe protection and instant buyer notifications.
- **High-Velocity Buyer Matching** — Access thousands of pre-verified, registered buyers actively searching for your asset categories.
- **Geocoded Buyer Reach** — Our platform pinpoints buyers by province, city, and postal code — maximizing local and regional recovery rates.
- **Stripe Connect Financial Routing** — Secure, instant fund settlement with full audit trails and no manual invoicing required.

■ Exclusive Partner Dashboard Infrastructure

Upon registration, you gain immediate access to a dedicated **Partner Dashboard** — an enterprise-grade control centre engineered for high-volume liquidation operations.

■ Bulk Asset Upload Tools

Upload hundreds of SKUs, photos, and condition reports simultaneously. CSV import, drag-and-drop photo galleries, and lot bundling are all supported out of the box.

■ Broker Status Badging

Your listings are permanently flagged with a Verified Broker badge — building instant buyer confidence and increasing bid volume on your assets.

■ Real-Time Analytics & Tracking

Live bid activity dashboards, view counts, watchlist metrics, and geo-heat maps showing exactly which markets are competing for your lots.

■ Stripe Connect Integration

Lightning-fast, secure payment processing with automatic fee deduction, buyer invoicing, and direct deposit to your registered business account.

■ Step-by-Step Registration Protocol
